

INDONESIA ARCADIA GAMING LEAGUE

Terms & Conditions

The agreement between you and IAGL

These Terms & Conditions ("Terms") govern your use of Indonesia Arcadia Gaming League ("IAGL", "we", "us") and your participation in its tournaments. By creating an account, registering for a tournament, or otherwise using IAGL, you agree to these Terms and to the Tournament Rules. If you do not agree, please do not use IAGL.

1. Eligibility & your account

- Provide accurate information and keep your login secure. One account per person.
- You are responsible for everything done through your account.
- If you are under 18, you need a parent or guardian's permission to take part and to pay any entry fee.
- We may suspend or close accounts that break these Terms.

2. Registration

- A registration is confirmed only after an admin verifies your payment.
- Slots are limited; a full bracket may close registration early.
- Each tournament's details (game, format, schedule, entry fee, prize) are shown on its page and form part of these Terms for that tournament.

3. Entry fees & payments

- Pay the stated entry fee to the official account shown on the tournament page, and upload a valid payment receipt.
- Admins verify payment within 1×24 hours.
- Entry fees are non-refundable, except if IAGL cancels the tournament, or your payment fails verification and your slot is never confirmed. Voluntary withdrawal after confirmation is not refunded.
- Use only a legitimate payment method that belongs to you.

4. Prizes

- Prize pools and how they are split are stated per tournament and awarded after the results are final.
- Prizes are paid to the winner's confirmed contact or account details — keep them accurate.
- Any taxes or transfer fees on a prize are the winner's responsibility, as required by law.
- We may hold a prize while we investigate a suspected violation.

5. Fair play & conduct

- No cheating, hacking, bug exploits, account sharing, smurfing, match-fixing, or collusion.
- No harassment, hate speech, threats, or toxic behaviour in matches or the participant group.
- Admins run each tournament and record results; their decisions on scores, disputes, and penalties are final.
- Violations may lead to a warning, a reversed score, disqualification (with forfeiture of the entry fee), or a ban.

6. Matches, scheduling & results

- Stay reachable in the participant group and arrange your matches within the scheduled windows.
- Report results to an admin as set out in the Tournament Rules. Missing a deadline may result in a walkover, a forfeit, or an admin ruling.

7. Your content & proof

- You may be asked for screenshots or recordings as proof of a result.
- You allow IAGL to use your username, match results, and submitted proof to run tournaments, settle disputes, and show standings, leaderboards, and player profiles.
- Only submit content you have the right to share.

8. Privacy & your data

- We collect what you provide (username, email, gamer IDs, payment receipt, contact) and your tournament activity in order to operate IAGL.
- We use it to run tournaments, verify payments, award prizes, and display public information such as leaderboards and player profiles (username, stats, avatar).
- We do not sell your personal data, and payment receipts are used only for verification.

9. Changes to a tournament or the service

- Once registration opens, a tournament runs as published. We change or cancel one only for a genuine reason — too few confirmed players, a game or platform outage, or something that would make the bracket unfair or unsafe.
- If that happens we tell participants in the participant group as early as we can, and explain exactly what is changing and why.
- If we cancel a tournament, or cancel a slot you have already paid for, your entry fee is refunded in full (see section 3).
- Matches already played and recorded stand. We do not void completed results except to correct a mistake or a confirmed rule violation.
- The site itself is provided “as is” and its features may change over time. We may update these Terms; we announce material changes, and continuing to use IAGL means you accept the updated version.

10. Limitation of liability

- As far as the law allows, IAGL is not liable for indirect or incidental losses, your connection or hardware issues, or outages of third-party services (game servers, payment providers).
- You take part at your own risk, and disputes between players are yours to resolve, with admin help where appropriate.

11. Governing law & contact

- These Terms follow the laws of Indonesia. Disputes are handled first by IAGL admins; anything unresolved follows applicable law.
- Questions about these Terms? Contact an admin in the participant group or the official IAGL channel.

By using IAGL or joining a tournament, you confirm that you have read and accepted these Terms and the Tournament Rules.
